Tiffin, Ohio

St. Francis Home - where each individual can *Live Life Fully*

St. Francis Home is a 132-bed long-term care facility. All of the resident rooms are private to promote the privacy, dignity and individuality of all residents.

The caring and supportive staff at St. Francis Home takes a special interest in each resident's well-being, assisting them when they need help while encouraging them to remain as independent as possible, for as long as possible.

The staff strives to enhance the physical, emotional, and spiritual well-being of all residents by recognizing their individuality and by providing them with opportunities to live full and satisfying lives.

St. Francis Home is licensed by the Ohio Department of Health and is Medicare and Medicaid certified to provide intermediate and skilled nursing care. The facility is located in the south end of Tiffin on the picturesque campus of the Sisters of St. Francis.

Family and friends are free to visit any time of the day. Activity rooms are located throughout the facility for formal and informal gatherings. Dining areas are also located on each floor.

St. Francis Home is a part of the St. Francis Senior Ministries' continuum of housing and healthcare services. Care services include independent and assisted living, respite care, Alzheimer's/dementia care, comprehensive rehabilitation services and skilled and intermediate nursing care.
