St. Francis Home is a 132-bed long-term care facility. All of the resident rooms are private to promote the privacy, dignity and individuality of all residents.

Services and programs at St. Francis Home include:

- Spiritual support as residents and family desire.
- Religious services in a spacious, updated chapel.
- Nutritious restaurant-style meals, café menu, and snacks each day.
- Daily housekeeping of residents' rooms and all common areas.
- Daily laundering of personal washable garments.
- Hair care provided by licensed beauticians for an additional charge.
- Transportation services available to and from appointments.
- Life enrichment activities that include educational, social, and recreational programs.
- On-site dental, optometry, podiatry and audiology clinic.
- Counseling/psychiatric services.
- On-site diagnostic imaging.
- Personal fund accounts.

Current daily service rates for St. Francis Home are \$269 per day for rooms with a private restroom and \$265 per day for rooms with a shared restroom. Information concerning services and ancillary supplies charged over and above the daily cost of care rate is available upon request.

St. Francis Home is licensed by the Ohio Department of Health and is Medicare and Medicaid certified to provide intermediate and skilled nursing care.
