Nursing Care - St. Francis Home

Intermediate and Skilled Nursing Care

St. Francis Home can provide care to residents who have medical or surgical conditions that require them to have nursing care or therapy services. St. Francis Home is certified by Medicare and Medicaid.

Rehabilitation Services

St. Francis Home offers physical, occupational and speech therapy. Therapy services can assist those who had a joint replacement, fracture, stroke, or general decline due to other illness. Services can be provided as an inpatient or outpatient.

Alzheimer's Services - Chiara Center

St. Francis Home houses the Chiara Center, a special care neighborhood for residents with a diagnosis of Alzheimer's disease or other form of dementia. The program focuses on the social, physical, spiritual, and psychosocial needs of residents while sustaining their dignity and promoting independence.

Respite Care

St. Francis Home provides respite care to those whose caregiver needs a break, whether it be days or weeks. Respite care services are available in assisted living at St. Francis Home and Friedman Village.

Assisted Living Care

The Neighborhood Assisted Living Residence is located inside St. Francis Home. The residence preserves independence by combining a warm living environment of private rooms and services tailored to meet each resident's individual needs.

Friedman Village at St. Francis Assisted Living

is a free-standing assisted living facility located across the street from St. Francis Home which features spacious rooms and private bathrooms. All resident rooms and amenities are located on a single floor. Residents receive the assistance they need to help them live an independent lifestyle.

Extended Home Care Services

St. Francis Extended Home Care Services provides individualized, non-medical, in-home services to independent living and community residents. Services include companionship, homemaking, and personal care assistance.

Child Daycare

Angel Academy provides the quality child care children need while their parents are working. The daycare is located within St. Francis Home, which encourages intergenerational interaction between the children and residents.

Independent Living

St. Francis Villas offer carefree living in a peaceful, rural setting on the grounds of the Sisters of St. Francis. The St. Francis Villas provide a comfortable, secure environment to persons at least 62 years of age who seek a lifestyle free from the concerns of home ownership. There are 35 villa-style homes on the St. Francis campus.

Friedman Village Villas also offer carefree living to persons at least 62 years of age who seek an active lifestyle free from the concerns of home ownership. These villas are located across the street from St. Francis Home on the Friedman Village campus. Friedman Village offers 30 units.

Elizabeth Schaefer Apartments is senior apartment living at its best for individuals at least 62 years of age. Residents experience independent living with an added sense of security. The two-story brick building features 31 spacious one or two-bedroom apartments. There is controlled access to the building, with all entrance doors being locked. Ample common space includes a lounge and dining room, laundry, library, wide hallways and generous storage space.
