

Diagnosis:

DEMENTIA

Putting the pieces together

Tuesday, March 20th at 3:00 pm

St. Francis Home

182 St. Francis Ave.

Multipurpose Room

RSVP (419)447-2723

Opportunity for caregivers and families to learn from our Leading Age consultant, Cathie Coleman, about the newest research and care techniques of dementia.

- Our second lecture in a series to better educate, understand, and provide care to our loved ones afflicted with dementia.
- How to provide a quality of life for people living with dementia.
- Empathetic communication, validation therapy, and enhancing self-esteem.
- Question and answer session.
- Make the connections within our community to learn and make living with a dementia diagnosis bearable.

St. Francis Senior Ministries is committed to providing the best quality care to our residents and remaining a trusted name in the Tiffin community.

Our Chiara Unit provides specialized memory care with an emphasis on maintaining the highest level of function, despite the difficulties of the disease.
