

February 9, 2021

To Our Residents and Family Members:

On Friday 2/5/2021 we tested all staff and had no positive results for COVID-19. Today 2/9/2021 we again tested all staff and we had no new positive cases.

We are currently having activities for residents. Residents are required to wear a mask at the activity and proper hand hygiene is being practiced along with residents being appropriately social distanced. Starting on Thursday 2/11/2021 we will open the dining rooms. Residents will be able to come to the dining room if they wish for meals and sit one resident per table. We will also be offering inside visits again starting on Thursday 2/11/2021 as long as we don't have any positive cases before Thursday. Tomorrow we will post additional information on inside visits. This will include guidelines and how to schedule appointments.

We are still encouraging family members to connect with their loved ones through video chat, calling, texting, or other social media formats.

We know this continues to be a difficult time for everyone. We will continue to update you as we have updates to give.

Sincerely,

*Gabe Stoll*
