

September 10, 2021

To Our Residents and Family Members:

We tested all staff and residents again today for COVID-19 and we had one additional positive staff case and no positive resident cases.

As a result of the positive test we have to postpone visitations until we have no positive resident or staff tests for 14 days. Families will need to call the front desk for approval of compassionate care visits. The front desk can be called Monday thru Friday between 8 A.M. and 6 P.M. Also on Saturday and Sunday between the hours of 10 A.M. and 6 P.M. We will test all residents and staff every 3-7 days until we have no positive tests for 14 days.

The next round of unvaccinated staff testing will be Tuesday 9/14/21. We will again test all staff and all residents next Friday 9/17/21. As a result of the positive tests all residents will be asked to be quarantined to their rooms until we have no positive tests for 14 days.

We are still encouraging family members to connect with their loved ones through video chat, calling, texting, or other social media formats.

We know this continues to be a difficult time for everyone. We will continue to update you as we have updates to give.

Sincerely,

*Gabe Stoll*
