

November 11, 2020

To Our Residents and Family Members:

We completed testing of all residents yesterday 11/10/2020 and had no positive cases of COVID-19. We will test all residents again next Tuesday 11/17/2020. All staff is set to be tested again on Friday 11/13/2020. This round of testing is not the rapid tests for staff so we anticipate getting the results early next week.

Because of new federal requirements if we receive a positive test we are required to test all residents and staff every 3-7 days until we have no positive cases in the facility. Unfortunately, due to having recent positive cases with staff we have had to stop our inside visitation. As soon as we are clear of all COVID-19 in the facility for 14 days we will resume visitation. Residents are quarantined in their room and beautician services are currently postponed.

We are working with local and state health officials to ensure we are taking all the appropriate steps.

We are still encouraging family members to connect with their loved ones through video chat, calling, texting, or other social media formats.

We know this continues to be a difficult time for everyone. We will continue to update you as we have updates to give.

Sincerely,

Gabe Stoll
