

November 9, 2020

To Our Residents and Family Members:

Today 11/9/2020 we had another staff member test positive for COVID-19. All residents will be tested again tomorrow 11/10/2020 and again on 11/17/2020. All staff will continue to be tested every Friday.

Because of new federal requirements if we receive a positive test we are required to test all residents and staff every 3-7 days until we have no positive cases in the facility. Unfortunately, due to having positive cases we have had to stop our inside visitation. As soon as we are clear of all COVID-19 in the facility for 14 days we will resume visitation. Residents are quarantined in their room and beautician services are currently postponed.

We are working with local and state health officials to ensure we are taking all the appropriate steps.

We are still encouraging family members to connect with their loved ones through video chat, calling, texting, or other social media formats.

We know this continues to be a difficult time for everyone. We will continue to update you as we have updates to give.

Sincerely,

Gabe Stoll
