St. Francis Senior Ministries has developed a program for residents with a diagnosis of Alzheimer's disease and related dementia. Residents live and receive care in Chiara (key-r-ah) Center, a separate, secure area within St. Francis Home.

The St. Francis Chiara Center:

- is a dedicated, secure area.
- provides care for residents with Alzheimer's type dementia and memory impairments.
- features all private rooms with a half bath.
- offers individualized care in a home-like environment.
- allows each resident to live life fully based on their abilities.
- has common areas that include a secure screen porch and indoor lounges.
- provides activities and religious services offered on a daily basis.
- offers family-style dining.

St. Francis Senior Ministries offers a support group for family members and friends on the 2nd Thursday of every month at 6:00 PM in the multipurpose room at St. Francis Home. For more information, please contact Ann Huth-Fretz at (419) 447-2723.

Current daily service rates for the Chiara Center are \$276 per day. Information concerning services and ancillary supplies charged over and above the daily cost of care rate is available upon request.
