

November 15, 2022

To Our Residents and Family Members:

After our positive cases two weeks ago, we have not had any additional positive cases of COVID. Our staff can now all go without wearing masks as long as our community transmission does not go to a high level and we have no positive cases of COVID.

We are still asking family members to sign out the resident when they leave and sign them back in when they return at the reception desk. However, family members will no longer have to sign the Negotiated Risk Agreement when taking a resident out.

Just a reminder, with Thanksgiving coming up in just over a week this being the first time in several years that we have been able to have families come in and eat in the dining room with residents, in order to best prepare for the amount of food that will need to be ordered and prepared for Thanksgiving lunch we are asking families to call into the front desk and reserve their spot by Friday 11/18/2022. All guests and residents would eat in the main dining room on the 1<sup>st</sup> floor. Due to limited space, we are asking that we limit the number of guests to three per resident unless other arrangements are made with the front desk. Please note this is for Thanksgiving lunch which will be served at 11:30 A.M. on Thanksgiving Day.

Sincerely,

*Gabe Stoll*
