

November 25, 2020

To Our Residents and Family Members:

Yesterday 11/24/2020 we conducted COVID-19 testing on all residents using rapid testing. We are happy to say that we had no positive COVID-19 results from the testing conducted on the residents. All residents will be tested again next Tuesday 12/1/2020. All staff will continue to be tested every Friday. This Friday 11/27/2020 the testing that will be completed on the staff will not be the rapid tests so we anticipate receiving the results early next week.

Because of new federal requirements if we receive a positive test we are required to test all residents and staff every 3-7 days until we have no positive cases in the facility. Currently we have one positive staff member from our testing that was conducted on 11/20/2020. Unfortunately, due to having positive cases we have had to stop our inside visitation. As soon as we are clear of all COVID-19 in the facility for 14 days we will resume visitation. We have been able to lift our strict quarantine and have opened beautician services back up.

We are working with local and state health officials to ensure we are taking all the appropriate steps.

We are still encouraging family members to connect with their loved ones through video chat, calling, texting, or other social media formats.

We know this continues to be a difficult time for everyone. We will continue to update you as we have updates to give.

Have a Happy Thanksgiving!

Sincerely,

Gabe Stoll
